

the definitions, sizes, and types of trees from the Zoning Commission in Vandalia, Ohio, that she would distribute before the next meeting.

Mrs. Bailey responded that she returned to this area because she loves it here but that we need the foresight of citizens to come up with a plan to prevent it from turning into a Hilliard, Ohio. Mike felt that Township Trustees have the power to do a comprehensive plan. Jackie stated we wouldn't be in this place if we had a plan from the beginning. Clare felt that it is not difficult for us to make a rough plan and we don't necessarily need a budget because we know what we need to preserve.

Shara thanked the residents for coming and sharing their concerns. Shara stated her concern that we don't want to be in a place to defend ourselves from lawsuits. Commission discussed cutting and pasting something together at the next meeting that we can work with.

Jackie motioned to adjourn; Clare seconded. Roll call vote:

*Shara - Aye*

*Jackie - Aye*

*Phil - N/A*

*Clare - Aye*

*Jeff - N/A*

**Meeting adjourned at 6:09pm.**

Respectfully Submitted,

Sarah Frank  
Zoning Secretary
